About Us

San Marine Exports, a leader in marine food exports with a decade of expertise, proudly affiliated with the esteemed LK Marine Group in Kerala. Positioned by Ashtamudi backwaters, our strategic location enhances our dedication to innovation and challenges.

With a global clientele, we ensure a seamless supply chain through LK Marine Group's ownership of fishing trawlers and commitment to high-quality standards. Our diverse seafood offerings, including Squid, Cuttlefish, Octopus, Shrimps, and Fishes, showcase our commitment to top-notch products.

As a reliable representative in the international seafood market, we prioritize quality, competitive pricing, and timely delivery.
